### **DUATHLON 5 SEES THE LAST RACE EVER AT HONEYBUSH DRIVE**

**So goodbye honeybush drive  
Where the dogs of society howl  
You can't plant me in your penthouse  
I'm going back to my plough**

**Back to the howling old owl in the woods  
Hunting the horny back toad  
Oh I've finally decided my future lies  
Beyond the honeybush drive  
(With apologies to Sir Elton)**

The price of progress... The developers will move in and smash our course in August, and before you know it you'll be doing your weekend shopping there instead of racing.

To everyone that ever raced at Honeybush Drive – come and farewell our grand course in style – lets have our biggest race ever. Even if you don't want to race - just come down and watch and cheer on the gladiators. **Let's make it a farewell to remember.** And as the dust settles after the fray, **we'll hang around and feast on bacon and egg burgers (bring your own thermos flask of coffee)** as we reminisce over some of those great tussles and also recall just how difficult it was to count those bike 12 laps.

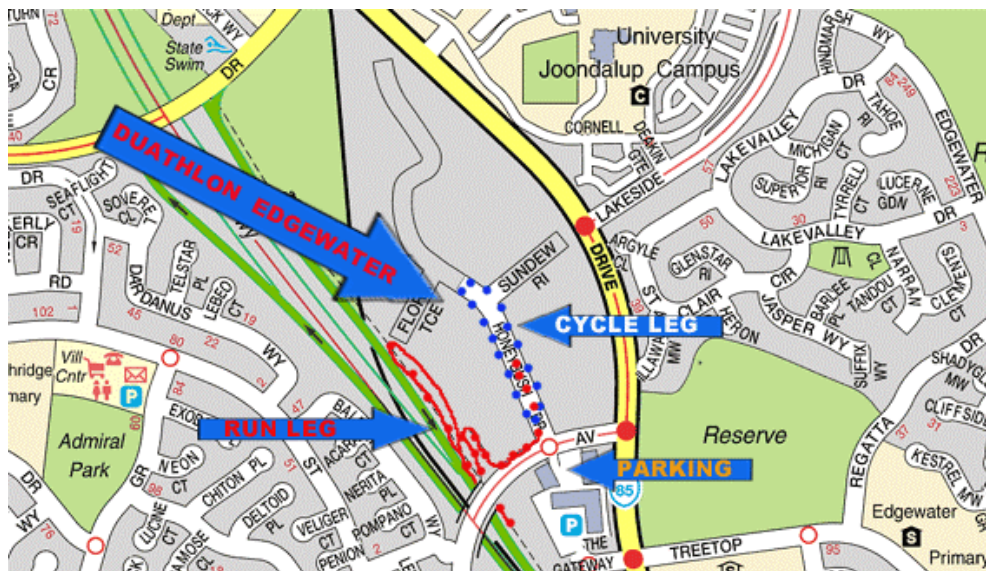

Its back to the standard format of 1.6k run (1 lap) 9.2k cycle (12 laps) and 3.6krun (3 laps).

Registrations commence from 7.00am.

Race Start: TRYStars: 8.00am and Seniors/Juniors: 8.30am. Race briefing will be held 5 minutes before race start.

Address: Honeybush Drive, Edgewater. (Off Eddystone Ave). Park at Rick Hart or Spotlight.

**Remember you must be a member to race – members of other Tri Clubs are welcome. (Become a NCTC secondary member – join on the day for only - Family \$45, senior \$25, junior \$15, Social \$10)**

## FINALIZING THE CLUB WEEKEND IN LANCELIN

Yes folks it's on again the North Coast Triathlon Club Lancelin 200 weekend.

The accommodation is filling fast - we have now taken up 80% the total space available. If you still want to be there, please ring Meredith ASAP

This year it will be on the weekend of the 16th September, 2006. As with other years we will leave from Meredith Douglas & John Hawkins house in Joondalup early Saturday morning. Ride or drive up and stay at the Lancelin Lodge Back packers then return Sunday morning back to Joondalup. The distance is around 108km each way for riders and we stop at the half way mark at Woodridge Park for about 10 minutes for a water bottle refill and pit stop. You can do the full 216 km, just do one way either up or back, half way if you wish, (providing you pre organise your lift) or just come up and join us at Lancelin, it doesn't matter the main aim of the weekend is family participation. For riders we will have someone with a car to take refreshments to the half way point, carry your mobile phones so if you break down we will organise to get you there. We can get your gear taken up for you by car. On Saturday we will leave in two groups with the more leisurely group leaving 20-30 minutes before the serious bunch at around 6.30am. (We may even split to 3 groups)

If you are interested please contact Meredith Douglas [\[mailto:doughawky@bigpond.com\]](mailto:doughawky@bigpond.com) or on 9301 0395.

We will have to have numbers finalised by the 8<sup>th</sup> September. The cost of accommodation is \$20.00 per person for dormitory style which includes GST (there are a limited number of family rooms available at \$80 max 2 adults 3 kids or doubles at \$50)

Cutlery and linen is supplied. You just have to bring your towel, clothing and food. We will have a jumbo roast dinner on the Saturday where the meat will be provided by the club, salads and sweets we will get everyone to bring something to complete the feast. This year we really want to promote getting together as a club, riding is just an optional extra for the weekend.

Numbers will start to be taken from the 5<sup>th</sup> Duathlon on the 30<sup>th</sup> July. Commitment means we ride rain, hail or shine and if we book we have to pay for that booking. With the family rooms we will be looking to give those to the families with younger ones and those families of 5 first. We can accommodate about 60 people, once we get past that you may have to find your own accommodation.

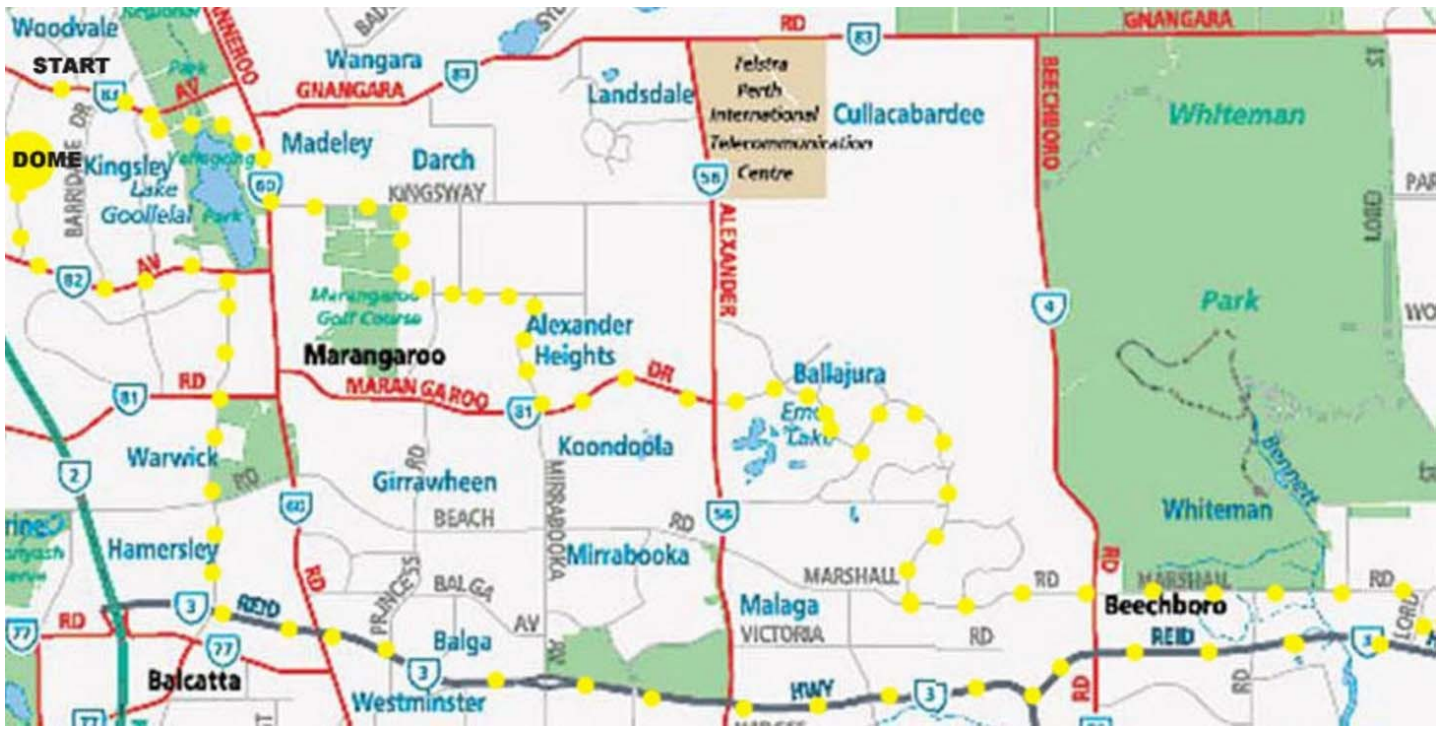

It looks like there will be an **IM contingent** that will ride straight to Lancelin without the Woodbridge stop and do a 10k brick run straight off the bike – will keep you madmen posted.

## THE 7.00AM RIDE IS LATER, LIGHTER, SLOWER, SHORTER & VARIED

Want to sleep in a little later, only start riding once it's already light and at a slower pace, plus cycle no more than 40-45ks and ride a different route every Saturday? If that's what you're after then be at Bikeforce Woodvale Saturday mornings 7.00am. Juniors are encouraged to join this ride as you will be taken care of. This ride proved very popular last year as it gave the less serious winter riders the chance to maintain fitness without the pressure of trying to keep up with the competitive groups. If you would like any more information please contact Dave Norton at 9246.4886 (evenings & weekends only)

**Please note this ride does not replace the 6.30am ride. This Saturday - "Marshall Rd"**

Although the map shows us turning at Lord Street, we probably not quite make it that far in our time frame so will more likely turn around at Altone Street.

## WANTED – SLOW RIDERS FOR ADULT CYCLO TEAM

The adult team for Cyclo Sportif would like to split into a fast and slow group. We really, REALLY need some slow riders to help form the slower team (but if you are a 'fast' rider you will still be welcome). So if you are new to cycling, or have hesitated joining in because you thought every one else was too good, then this is your opportunity as we would LOVE to have you join us. So all those non-riders, or riders who have not had the confidence yet to join in, COME ON, this is your chance to have some fun and learn group riding in a fun atmosphere. We are FRIENDLY and will help you learn to ride with a group, so please email Nimal at [nimal@iinet.net.au](mailto:nimal@iinet.net.au). See later in "What's Happening" for the event dates and locations.

## AGM

North Coast Triathlon Club will be holding its Annual General Meeting on 13<sup>th</sup> August 2006. At this meeting all standing committee members are required to stand down and a new committee will be elected. While some of the current committee will make themselves available for re-election there will be others that won't, thus there will be some vacancies. This is your opportunity to step up and contribute to the running of your Club – it is very rewarding, especially when you see the results of your endeavours and receive the other member's appreciation of your contribution. Even if you are not familiar with committee procedures, you will be mentored until you get comfortable in the position.

For the official AGM notice please click [here](#), or look for the information on the Club website: <http://www.northcoasttriclub.org.au/>  
For committee member nomination form please click [here](#), or look for the information on the Club website and for committee member job descriptions click [here](#).

## DESTINATION DUNSBOROUGH (THE ANACONDA ADVENTURE RACE)

TEAM POST

Anyone wanting to compete as part of a team please have your availability registered here.

#### SWIMMERS

I would be interested in entering the anaconda race doing the swim leg. 2km would take me between 32-35 mins. I did 5km in 75mins last year. Please contact me. **Ashleigh Davis** 9301 2890

#### RUNNERS: Sue Libbis?

**MTB** I joined North Coast Tri club around the start of the year with the aim of training for Adventure Racing which is really what I want to be doing. Unfortunately my roster hasn't allowed any competition with the club yet (I'm still working up north, 9 days on five days off). I've been doing scratch triathlons with mates around Perth on Saturdays as well as a fair bit of running. I would be very keen on some paddling sessions, I haven't Kayaked seriously for over 10 years.

Also, as far as Anaconda goes, I was aiming on doing the event Solo but if Reece is still looking for team mates my strongest leg would probably be MTB. Needless to say I would be willing to train my absolute but off to ensure I was ready to compete at a winning level. I've been living up North for the last four years to don't have a lot of competition experience but have done a lot of cycling both touring and off road.

Look forward to hearing from you,

**Richard Haynes** can be contacted at: [Richard.Haynes@bigpond.com](mailto:Richard.Haynes@bigpond.com)

#### Nick Forster

**KAYAK:** still needed

There does seem to a much talk around the Club about participation in this exciting event. Presuming it's simply not all talk, it's time to start planning – particularly the training aspect of the paddling and the mountain biking. If we can form a training group it would help us enormously on our journey.

For race details visit - <http://www.rapidascent.com.au/asp/WADescription.asp?e=6>

## WOMEN'S TRIATHLON COURSE

Due to popular demand, North Coast will be running another "Women in Triathlon" (WIT) course. This is an ideal opportunity for all your friends that were always "gunna" try Triathlon to now "have a go". The course will cater for a range of abilities – from complete novice to "already fit" athletes that want Triathlon specific training routines and technical coaching. The proposed commencement of the course is October 2006 to run until December, when it will culminate with competing in a State sanctioned Triathlon race.

All three disciplines will be comprehensively covered with one session each a week (8 week duration) – Swimming on Tuesday evenings @ Arena Joondalup (7.00pm), Running on Thursday evenings @ Flinders Park, Hillarys (6.00pm) and Cycling on Saturday mornings from Bikeforce Woodvale (6.30am). For expressions of interest or just more information please contact the course coordinator Meredith Douglas on [9301 0395](tel:93010395) at home and mobile 0403 770 555 (not after 8.30pm please). ## CLUB COMMITTEE OPPORTUNITY

**Wanted** – a keen club member who possesses the following.

- Willingness to give back to the club.
- A computer with internet access.
- A little free time to spare.

After 4 years Rob Lees is stepping down as Club Treasurer. We need someone within the club to step up and be a part of the clubs future in this rewarding position. The Treasurer is responsible for banking of monies after events, making payments by cheque or cash, maintaining float, attending monthly committee meetings, recording transactions, processing credit card receipts. All record keeping is set up on a very simple computer cash book, so you don't need any accounting skills. Positions normally run for one year, with committee members voted in each year at the AGM around August. Rob will mentor someone into the role, so there will be a smooth handover.

Contact Rob Lees on 0439 998 684, 9300 4946 or [roblees@bigpond.net.au](mailto:roblees@bigpond.net.au).
