### **THE 7.00AM RIDE IS LATER, LIGHTER, SLOWER, SHORTER, VARIED & SCENIC**

Want to sleep in a little later, only start riding once it's already light and at a slower pace, plus cycle no more than 40-45ks and ride a different route every Saturday? If that's what you're after then be at Bikeforce Woodvale Saturday mornings 7.00am. Juniors are encouraged to join this ride as you will be taken care of. This ride format proved very popular last year as it gave the less serious winter riders the chance to maintain fitness without the pressure of trying to keep up with the competitive groups. If you would like any more information please contact Dave Norton at 9246.4886 (evenings & weekends only)

**JUNIORS NOTE** Due to lack of response a special ride will only be arranged for you if you contact me and register your intention to participate. I will keep a register of names and once we get a minimum of 5 participants then we will organise something for you. Interest shown by juniors for last Saturdays ride was nil. When and if a junior ride takes place, please introduce yourself to me before the ride leaves. **Juniors riding under my care must be North Coast members and no younger than 12 by the end of 2006.** Please ensure you have a spare tube in case of a puncture, plenty of water and your parent's mobile phone number. **You must have both front and back lights on your bike as well.** For more information ring Dave Norton on 9246 4886 (evenings only).

**This Saturday "Looking for old Pinjar Hill"**

## THE SORRENTO CHALLENGE

SATURDAY 15 SEPTEMBER 2007 SORRENTO BEACH (1.2KM SWIM - 7KM PADDLE - 9KM RUN)

The inaugural Sorrento Challenge is a unique and exciting multi-sport event to be conducted at beautiful Sorrento Beach. It is the only event of its type in metropolitan Western Australia and will feature some of Australia's foremost multi-sport athletes, as well as providing an opportunity for individual and team competitors to tackle the swim-paddle-run format.

The Sorrento Challenge will take racers into the pristine Indian Ocean at Sorrento beach for a multi-lap 1.2km ocean swim, followed by an ocean paddle along the coast to North Beach marine park and return to Sorrento beach for a 3 lap beach/trail run totalling 9km. Open and age group individuals, along with mixed, school, club, family and corporate teams are all invited to enter. For further information go to the event website at [www.sorrentochallenge.com.au](http://www.sorrentochallenge.com.au)

## RIDING IN RAIN - THE EASY WAY!

"Want to sleep in a little later, only start riding once it's already light and at a slower pace, on Saturday mornings".... and if it starts raining simply phone home, wake up your wife and get her to come and get you! Well that's what one of our Club Ironmen / Newsletter Editor does.....

Apparently a puncture and a few drops of rain were all too much for this gent. I hope he made breakfast for two when he got home?

**Two** punctures and no one to ride with – OK Steve (I don't need to carry a spare because if I puncture I just call Kerry to pick me up) Waterman, you did ride home but **you** came up with the idea of phoning, but you just weren't game to make the call. ED

This is a fun series for cyclists that want to try their hand at cycle "racing". It is aimed at serious recreational riders who would like to learn the disciplines of team riding in a semi competitive environment. **Cyclo Sportif** aims to generate a true Club atmosphere fostering team spirit, cross club congeniality, family and recreational fun and the opportunity for members to enjoy a sport that encourages and supports both the individual and team participation objectives.

You will not be expected to race the full series, so we will encourage each team to have a pool of about 12 riders because there will always be someone who cannot make a particular event – and we want NO PRESSURE. (The minimum team size permitted in a race is 4 and the max is 9)

Please visit the website below to get all the details – these include WACF membership application form, Club Cyclo membership application forms and race entry fees.

Cyclo Sportif membership fee is:

**Seniors:** \$75.00/Calendar year of which \$55.00 goes to Cycling Australia for your Ride-It licence and \$20.00 goes to Cyclo Sportif.

**Juniors:** (18 or under, your birth year is 1989 or later) pay just \$40.00 of which \$30.00 goes to Cycling Australia for your Ride-It licence and \$10.00 goes to Cyclo Sportif.

**Race entry is usually \$30.00 per person and this includes a BIG lunch and some stunning spot prizes.**

PLEASE CONTACT DAVE NORTON IF YOU WOULD LIKE TO BE PART OF THIS ADVENTURE, ADVISING WHICH TEAM YOU WOULD LIKE TO JOIN. THIS WILL BE ACCOMODATED WHERE POSSIBLE ALTHOUGH YOU WILL FIND THERE WILL BE SOME SWAPPING BETWEEN THE 2 PLODDER TEAMS AND SO TOO BETWEEN THE 2 SENIOR TEAMS AS ABILITIES ARE BETTER ASSESSED OVER THE SERIES. IT WILL BE UP TO THE INDIVIDUAL TO COMPLETE THE MEMBERSHIP DETAILS AND BE FULLY PAID UP BY THE SERIES COMMENCEMENT.

## POSITION VACANT ON CLUB COMMITTEE

So far no one has come forward to take on Kim Tyler-Lees role on committee. We don't blame you. The Committee realises that it is a huge task for just one person to do all that Kim does. So we propose that the roles can be filled by several people doing specific parts of the job. For example, one person could solely do memberships, and someone else could answer phone enquiries only, while another could do the secretary role.

So please rethink whether you can help out next season, and whether a smaller and more defined role would be possible for you to fill. Talk to your friends in the club, together you may be able to form a team that can fill Kim's shoes.

Hopefully, this new approach will make it more attractive for people to step up, so everyone please reconsider how you might help.

If you want to discuss the possibilities, Nick (our President) and Kim would love to hear from you.

## HAVE YOUR SAY ON ALL THAT BROKEN GLASS ON THE ROADS PARKS ETC

This is what I sent – duplicate it, change it, BUT – PLEASE HAVE YOUR SAY.

To: Hon David Templeman,  
Minister for the Environment and Climate Change

As a member of the North Coast Triathlon Club, I spend a great deal of time cycling running or swimming on the wonderful roads cycle/dual use paths and beaches of Perth. Right now I am most concerned at the extreme amount of glass that litters all these transport and recreational venues. It is almost as if there is a campaign to make these areas as user unfriendly as possible.

We cannot and must not sit back and allow this to happen to our wonderful City and as it would seem that there are many in our society not responsible enough to use glass products, measures need to be taken. Below are 2 possible directives worth debating, both of which could alleviate or possibly even cure this epidemic.

- (1) Ban the sale of drinking products in glass containers (many manufacturers already use alternatives so it acceptability cannot be made into an issue)
- (2) Or impose a 50c bottle deposit at the point of sale on all glass drink containers – the 50c to be available for redemption on return of the intact glass bottle. This imposition would not only have the effect of encouraging users to maintain their empty glass vessel for redemption, but possibly also, the cost of the deposit will encourage the choice of plastic/tin/aluminum packaged products at point of purchase (as will they will appear to cost less).

Unlike cans, bottles shatter when dropped on paths, leaving jagged pieces to threaten kid's feet and thousands of razor-sharp shards which puncture bicycle tires. Many cyclists are discouraged by punctures from the innumerable glass fragments on bike paths and roads. Health costs, costs of cleaning up, CO2 emissions and traffic congestion all benefit substantially if more people ride bikes, but broken glass is a major disincentive. As well as cyclists, canoeists, windsurfers, beachgoers and parents all have an interest in reducing broken glass in recreational areas.

I urge you to support/introduce any form of legislation that may reduce/eliminate broken glass from public areas.

Yours sincerely,

David Norton  
 (Immediate past President North Coast Tri Club)

## DEVELOPMENT RIDES

For those who have just joined the club and/or who do not feel ready to tackle the group rides out of Bike Force there are the following rides happening. These rides go at a gentler pace and will look after those who are a little slower!! Be there at least 5 minutes before with tyres pumped up, spare tube, lights now it is getting darker in the mornings and of course plenty of water. All these rides are for about an hour.

SATURDAY at 6.30am from Hillary's Marina in the car park outside the newsagent. This is a group of ladies who find some of the other rides slightly intimidating. It is an out and back ride so you can ride as far and as fast as you wish and everyone meets back at the marina. You can ride on the road or you can ride on the footpaths it is up to you.

THURSDAY at 6am out of the Whitfords Bottle shop (East of the shopping centre). Leader: Dave Norton. This is the Club "development" ride – for all beginners (and oldies) wanting to spend some time on the open road. The average speed is around 25 kph or as fast as the slowest rider on the day. The ride is well supervised and cyclists are assisted where necessary.

### Running Training

Anyone wanting to continue running in an organised format should join in the Sorrento Surf Club Wednesday night session. It commences at 6.00pm from the boatshed at the Club and is organised by Louise Millar. Louise is happy to accommodate North Coasters (just be nice to her) and she offers 4 or 5 difference time trial courses. Choose on the night which one you want to run and Louise will record your time for reference when you choose to run that course again. If you like hills, choose the Malcomb Street / Cliff Street course. The courses vary from 11k to 2.5k

James Harris is having May off from swimming. Then back at it on the 5th June 2007  
Rob and Kim will still swim and if anyone wants to join them.
